

OTEP NEW UPDATE - PERFORMING ARTS

Greetings

We are writing to thank KAPOR and the Oakland A's for your continued support over the years and to request your support for the 7th Annual Oakland Teen Empowerment Scholarship and Performing Arts Program '*Every Girl Matters*' (501C3 46-4756168) where all girls are winners. This is an intense program, May-July, for girls 14 – 19 years old that offers: technology, college prep and life skills workshops. We would like to invite you to our competition Luncheon and Showcase where contestants will compete for the Book Scholarship, Future Community Leader, Highest Achiever, Sisterhood and Miss Congeniality Awards. The event will be hosted at **Laney College, date to be confirmed, 12 – 2pm** (due to the current pandemic). All girls will receive a computer, Certificates from Mayor Libby, Congresswoman Lee, Representative Bob Bonta, gift bags, and a strand of pearls. We are seeking support for purchasing new laptops computers. This program encourages girls to register to attend a 2-year College. The focus is to get a college education, to decrease their vulnerability, and prevent becoming victims of violence and human trafficking in our community.

Approximately 125 girls have completed our program and 68% registered in a community college. Last year we assisted 9 girls to register. We have found the majority of the girls are dealing with stress and mental health challenges from: STDs, abuse at home or school and drugs. Each participant is partnered with a professional woman to sponsor and/or mentor. A small mentoring fee of \$350.00 underwrites a healthy lunch, strand of pearls and workshop presenters.

Our program emphasizes technology, stress/mental health, bullying, basic second language, self-defense, Yoga/meditation, sex/drugs/STD's and trafficking, Math, STEM, etiquette, Tech Day-Coding, career goal/financing, cooking, banking, public speaking, nutrition, spiritual guidance, choreographed dancing, health and wellness to help girls to become leaders. Some teens: are sofa surfing to prevent abuse at home or school, prostitution, abortion, taking drugs daily, unprotected sex, mental health issues, working to support siblings, trafficking, gang raped and many other disturbing issues. This program helps build confidence and define character. We cannot do the work without your support. There are two ways to help, with a Sponsorship/Grant or as a Mentor/Sponsor. Please review our website and KRON 4 News Segment. Thank you in advance for your support. Please contact Paula directly with your questions @ (510) 326-8668 and visit the website for media and additional information.
